## REMARKS

Applicant requests examination and allowance of the application in view of the foregoing amendment and the following remarks.

This document responds to the restriction requirement mailed June 23, 2004. Applicant elects Group III. The claims readable on Group III are claims 20-24, as well as newly presented claims 25-38.

In addition, this document corrects a typographical error in clam numbering. Specifically, because of a typographical error, no claim was originally presented that was numbered "21", and claims 22-24 were incorrectly marked as being dependent from claim 21 rather than from claim 20. This document amends claims 22-24 to correct their dependency to claim 20. The missing claim 21 has, in the foregoing claims listing, been designated "canceled".

Respectfully submitted,
